EXHIBITION REMOVABLE CARPET TAPE

Description

Removable double sided adhesive tape.

Product data

Backing: 0.050 mm OPP; yellow

Adhesive: Outer side: acrylic - Inner side: synthetic rubber and resins

Liner: Siliconized paper; white

Application

Floor removable double sided tape, recommended for holding exhibitions and promotion events, temporary applications in household use when carpets, runners, etc, floor holding are required. The yellow colour of the film makes it easy to see on the floor.

The removable side of the tape is the outer: first apply the tape to the floor, then remove the liner and apply the carpet.

Please always test on any surface involved. After application removal is suggested within 15 days.
